## ***About Special Guest Artist JC Clapp:***

JC is a teacher who found herself stuck on the couch with a leg injury a few years ago. She decided to fill her time obsessively with knitting. After hand knitting and felting about 20 handbags, she decided she really needed to stop hoarding them, so Bagoo Bags was born. All ***Bagoo Bags*** are hand knit out of 100% wool. Then, the bags are agitated (but never irritated!) in hot soapy water until they shrink and form a dense felted fabric. JC rarely works from a pattern, so each bag is entirely unique. She loves doing custom work, as well. If you'd like to see some of the bags JC has made and currently has for sale, visit <http://www.BagooBags.com>
